# Selecting a Catalog

Current and previous catalogs can be accessed via the drop-down menu.

The screenshot displays the UA Little Rock Academic Catalogs website. At the top, the UA Little Rock logo and the word "Catalogs" are visible. On the left, there is a "Catalog Search" section with a search bar and a magnifying glass icon, and a link for "Advanced Search". Below this is a "Catalog Home" section with links for "Chancellor's Welcome" and "About UA Little Rock". Further down, there are links for "Undergraduate Catalog", "Graduate Catalog", and "Archived Catalogs". On the right, a dropdown menu is open, showing "UA Little Rock Academic Catalogs" with a checkmark, and two options: "2019-2020 Undergraduate Catalog" and "2019-2020 Graduate Catalog". Below the dropdown is a large image of students walking on a campus path, with the UA Little Rock logo in the bottom right corner. At the bottom of the page, there is a welcome message: "Welcome to UA Little Rock's academic publications. These university catalogs are updated every year and serve as a centralized location for various campus policies, admission".

Looking for an older catalog? Older Catalogs (and PDFs of all Catalogs) can be accessed from the Main Page and viewed here.

## 2019-2020 Graduate Catalog

## Graduate Programs

The specific requirements and policies of each graduate degree program are described in the section of this catalog covering that program and its courses. Because of limited course offerings per semester, a student may be unable to carry a full-time load. It is essential that degree-seeking students maintain close contact with their program coordinator concerning the availability of course offerings.

General education nurtures in students the knowledge, skills, habits of mind, and values that provide a foundation for their baccalaureate program and for lifelong learning.

General education fosters intellectual breadth, serves as a context for more specialized study, and is essential to the full development of persons who wish to participate meaningfully in the various communities of which they are apart.

Given these goals, we endorse the following Educational Outcomes in the areas of Knowledge, Skills, and Citizenship. We recognize that certain specific aspects of these outcomes will be discipline specific, and we expect that the level of competence in each area will be defined and assessed according to the individual disciplines. The recommendations for core courses and other curriculum changes should be informed by these general outcomes. ### 1. Selecting a Different Catalog

[BACK TO TOP](#)

There may be more than one catalog available from the University of Arkansas at Little Rock system e-catalog Gateway at a time. If there is more than one, you will see a dropdown box toward the top of the page with the name of the current catalog. Clicking the dropdown box provides access to other available catalogs. Selecting an alternate catalog will load it into the Gateway. If you do not see the dropdown box, then only a single catalog is currently published.

You may add information from any of the available catalogs to your own personal Bookmarks. See below to learn more about [Using the Bookmarks Feature](#).

### 2. Searching the Catalog
